VIII. Old Business

A. West Grove Borough Building Lease update
   1. Our lawyer sent letter to Greg, the Borough Manager, and Greg added the letter to the borough meeting’s agenda. Several of the borough supervisors were quite distressed about it.
   2. Sue spoke with Greg and shared that we had not seen the letter and it had not been voted on.
   3. Suggestion from Greg: Several members from each side should meet to discuss the issues. This is not a renegotiation, just a clarification of the terms of the lease to clean up the language. The board agreed that Greg should coordinate this.

B. Longwood Gardens Library membership program

1. Lori chatted with Nicole Krom. Longwood is trying to reach out to a more diverse population

2. They are initiating a pilot program which would provide a membership card for up to 9 people to the library. Patrons would check it out for free. We would need to promote this. We will have to discuss limitations

3. Lori will submit the forms and work out the details

C. 2020 Budget Considerations offered by Lori

1. Rethink cost of living increases in wages

2. Keep the increase in salary formula the same

3. Director salary - We need to determine how to handle Lori’s 5 year incremental raise.

4. Materials - We currently spend little more than 12% of the budget on this. Lori proposes spending less on young adult and more on electronic books and periodicals

5. Branding shouldn’t involve a lot of cost. Just a prize - for the new logo contest

6. The neon sign still not completely working right and we have spent $2000 fixing the sign. We need to come up with an alternative and put that in budget

7. Marketing

8. Programming money can come down, and we can rethink some of the programs

9. Add a coffee nook in the library

10. Sue, Cordelia, and Lori will meet between 10/2 - 10/12 to begin the budget planning process

D. Financial discussion

1. We need to have someone else look at our accounts at Haverford to determine if we are getting the best investments, costs and the amount of risk in our portfolio

2. The Board discussed if we should make changes. Cordelia suggested that our funds are in funds that are ‘safe’. We could move into bond markets to be safer, but could be same situation. Walter feels that our portfolio is not that risky.
3. It was suggested that we switch to the mutual fund option to save costs (per last month’s discussion)

4. Barbara made a motion to move the funds in the Avon Grove Endowment Fund to the mutual fund offered at Haverford, Walter seconded, the motion carried. Sue will contact Haverford, inform them of our intent and direct them to choose the best time for us to make this change
