   D. All funding is in except Franklin’s support and the County balance. The balance from London Grove is in, but not included in this report
   E. Motion to accept the Treasurer’s Report made by Pat, seconded by Suzanne, motion carried

VIII. Old Business
   A. Operation Warm
      1. Sue and Lori talked with Lisa Sherwood to clarify the project. It was determined that it would be too much work, require a lot of space, and may be a challenge due to other holiday activities. Avon Grove Library declined the opportunity
   B. Building Lease, p. 3: Walter. Borys (see the handouts)
      1. Walter discussed the details of the lease and provided a handout of page 3 from the lease which focuses on maintenance, costs and expenses
      2. Walter’s analysis discussed the shared costs of maintenance between the Library and the Borough
      3. Suzanne suggested that having a spreadsheet that lays out all the parts of the lease would make it more clear to the Board
      4. Lori will talk to Sue and organize the meeting with Greg (with Walter and Cordelia) to clarify our understandings
      5. The Board discussed the pros and cons of the lease and possible impacts to the library
      6. It was recommended that we need to establish a facilities reserve account
   C. 2019 Budget
      1. Debt reduction - West Grove Borough Building Loan Repayment (see handouts)
         a) Lori shared two documents that show the amortization schedule that we should be following
         b) Regardless of the amount of principal paid annually, interest is paid monthly
         c) Lori provided a memo recommending a schedule to pay the remaining debt:
            (1) 2019 - $10,000
            (2) 2020 - $12,000
            (3) 2021 - $20,000
            (4) 2022 - $23,000
         d) The amortization scheduled has the last payment due in January, 2023
         e) Suzanne suggested approaching a foundation to help pay this debt
         f) Cordelia suggested splitting the remaining debt into equal payments
         g) The Board agreed to pay $10,000 in 2019 and use Cordelia’s amounts for future years
      2. Projected deficit for this year according to Lori’s calculations (see revised handout)
         a) Revenue shortfall - $28,210
            Underspent expenses - $890.00
         b) Total shortfall - $27,320
c) Cordelia modified the figures since the transfer amounts were slightly different from the original calculations; her final shortfall figure was $28,520
d) Discussion was held that the money to cover the shortfall must come from the Avon Grove Endowment Fund
e) Cordelia suggested having extra dividends go to the cash account as a way to maintain ready cash
f) Two things to consider in planning future budgets
   (1) We need a facilities reserve to cover unexpected maintenance costs that aren’t budgeted for
   (2) We need to maintain a higher level in the TD Bank account. We currently have too little in TD Bank to maintain an adequate balance. Cordelia suggests we need at least $10,000 reserve in this cash account. It should cover at least one payroll cycle

3. Avon Grove Library Endowment Fund Drawdown for 2019
   a) Cordelia recommends a $57,500 draw from the Endowment Fund to cover the budget shortfall, include remainder of the annual drawdown (based on our formula) and give $10,000 to the TD Bank cash reserve for operating costs
   b) Since Sue is away, Suzanne made a motion to vote on this by email when she comes back, Shelly seconded, motion carried (SEE BELOW FOR AN ADDENDUM)
   c) Important - We don’t want to keep drawing more than what our formula indicates we should draw!

IX. New Business
   A. 2020 Budget - Draft #2 (see handout)
      1. Changes
         a) The main change includes getting draft figures from two municipalities, London Grove and West Grove Borough, who both budgeted the increases we requested. We should have the others by the end of next month
         b) Lori tried to be conservative in all areas
         c) Suzanne asked if the budgeted expenditures line up with the probable expenses indicated by the lease. We will check to be sure this is the case
         d) Lori has made additional cuts in budgeting for programming, since we are receiving regular funds for children’s programming annually from the Ringler-Wurm Family Foundation
      2. Cost cuts
         a) A discussion about including/not including fundraising in budget was held
         b) This budget includes COLA increases for staff
         c) Lori’s salary formula could be discussed as a cost-saving measure
         d) Flipcause and GrantWatch were cut
         e) Board members should think about cuts and changes they would prefer
      3. We will vote to approve the 2020 Budget at the December 4th meeting. We should know the municipalities’ contributions by then. Lori will keep us updated

   A. Motion to adjourn at 9:39 made by Cordelia, seconded by Walter, motion carried

ADDENDUM

On Saturday, October 26 the following email was sent to all board members:

As we discussed at the meeting on Wednesday, we need to vote on the amount of the drawdown from the Endowment Fund, as well as how that money will be distributed. I emailed Sue today and she is in agreement with the course of action that we discussed. Please consider Cordelia’s recommendation as a motion for the following:

Cordelia recommends a $57,500 draw from the Avon Grove Library Endowment Fund to cover the 2019 budget shortfall, include the remainder of the annual drawdown, and give $10,000 to the TD Bank cash reserve for operating costs.

I (Pat) second this motion. Please email back - reply all - to vote in favor or against. Please reply by Sunday evening so that we can begin the process on Monday. I will add the motion and the vote as an addendum to our minutes for this month.

All board members replied, voting in favor, and the motion carried.
