West Grove PA, Feb 1, 2016 —The Avon Grove Library has announced the release of their updated website. This winter we worked with the goal of improving the website's usability. We hope that our patrons find the changes we have made helpful. Included in the update is a Press Room, <http://www.avongrovelibrary.org/about-us/press-room>. You will find the library's press releases and links to news articles in the Press Room.

This month, Avon Grove Library is pleased to highlight Mango Languages online language-learning system. Mango is free for all library patrons and can be accessed anywhere with an Internet connection. Each lesson combines real-life situations and audio from native speakers with simple, clear instructions. The courses are presented with an appreciation for cultural nuance and real-world application by focusing on the four key elements of language learning: vocabulary, pronunciation, grammar, and culture.

Mango offers access to 60 foreign language courses and 17 English courses taught completely in the user's native language. Mango can be accessed at the library, remotely, or even on-the-go with apps for iPhone®, Android™, Kindle® and Nook®. To learn more about Mango, stop by the library and ask a librarian for an introduction. Library card holders can access Mango through the library website at www.avongrovelibrary.org/mango, for more information; contact Avon Grove Library at 610-869-2004.
